ORDER ADOPTING REPORT AND RECOMMENDATION

This action for habeas corpus relief brought by a prisoner, proceeding pro se, was referred to United States Magistrate Judge Valerie K. Couch, consistent with the provisions of 28 U.S.C. § 636(b)(1)(B). Judge Couch entered a Report and Recommendation on March 31, 2011, to which Petitioner has timely objected. The Court therefore considers the matter de novo.

The facts and law are accurately set out in the Magistrate Judge's Report and Recommendation and there is no purpose to be served in repeating them yet again. In his objection, Petitioner merely restates the conclusions and legal argument originally asserted, and raises no issue not fully and accurately addressed and rejected by the Magistrate Judge.

Accordingly, the Court adopts, in its entirety, the Report and Recommendation of the Magistrate Judge, and for the reasons announced therein, denies this petition for habeas corpus relief. A judgment will enter accordingly.

IT IS SO ORDERED this 26th day of April, 2011.
